 Stay in touch!

Lura,
 All I can say is
 I'm glad I met u/A.
 You a fire-looking
 girl and I hope you
 stay that way. Stay
 sweet - good-looking
 yes Bradley 797

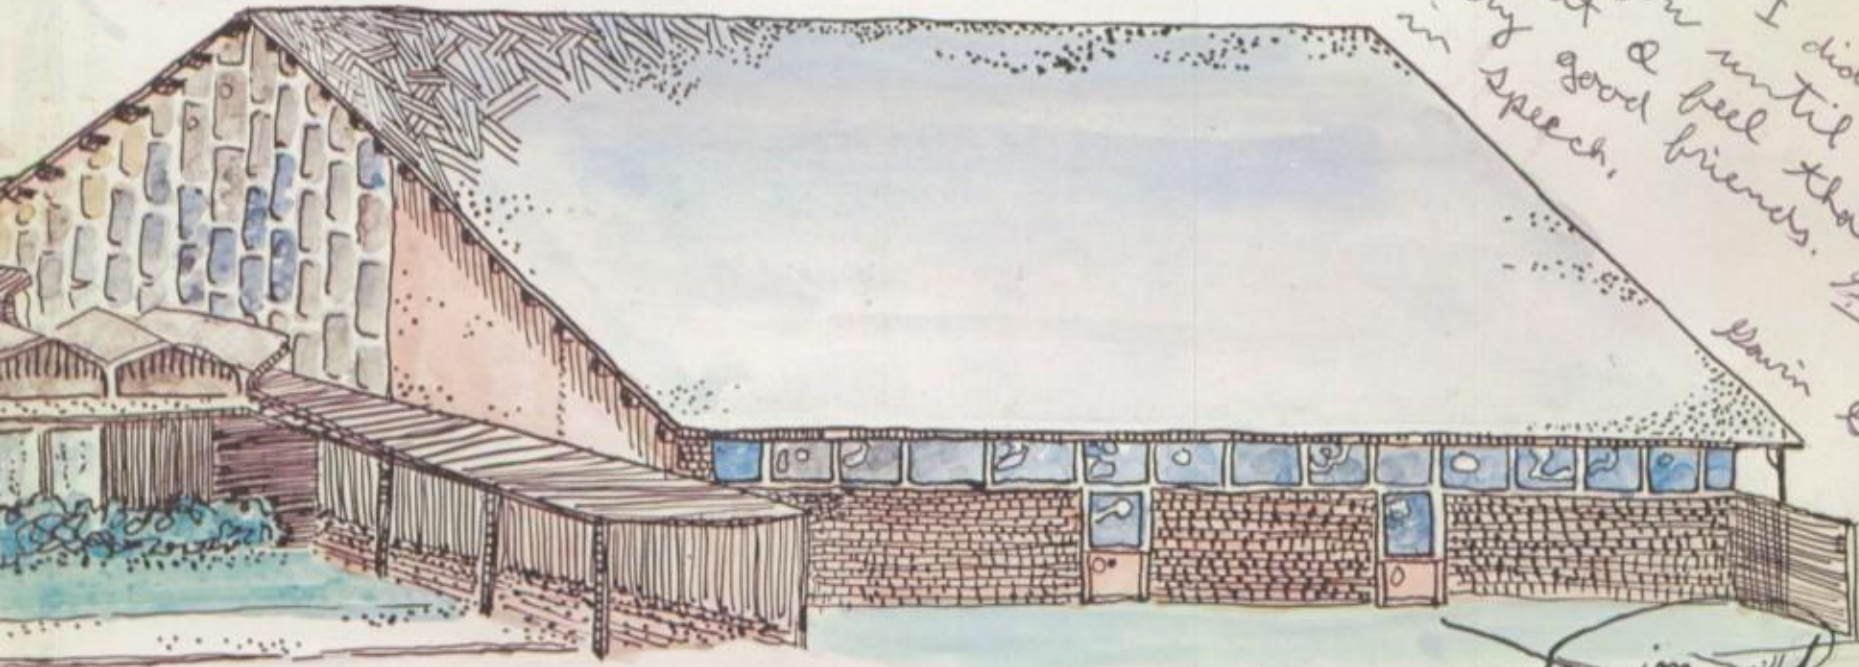

Lura,
 I wish I could have known ya
 longer than I do 'cuz I love talkin'
 to ya. Remember all the early mornings
 of "z-ing out" in homeroom! Luv ya,
 Pam

Lura,

well it's been nice knowing ya for the past ten years. Finally we managed to live in the same area as we did in Germany. I'm sure that ~~we~~ we are gonna start having some really good times. Enjoy your year book Lura. Since it did cost ya a pretty penny, I'm sure you will have some good times with ~~the~~ Fred and Scott. Good Luck this year.
 Friends Always "80"

Lura,
 I'm glad that
 we've gotten to be
 friends this year. Hope
 we can stay that way.
 Anytime you need a ride
 home just ask me.
 Kathy

Lura, finally
 signing this book.
 We've had some good
 times and gotten into
 some trouble together.
 You have a lot going for
 you, so play sweet and everything.
 I want to still be able to
 call you ten years from now.
 and you say, "Hey, at a go party!"
 Love you, Don.

Yea
 what's
 going on.
 I am glad
 we got to
 get to know
 each other
 and that
 we can
 be
 friends
 always
 Merry
 LeBlanc

And I'm glad to
 have you in our
 class. We can
 be friends and
 stay that way.
 Love you,

GROWTH IS PROGRESS

The tender green shoot struggles to pierce the surface of the warm earth. The shoot appears and spreads its new leaves in a shout of victory. The battle for freedom is won at last.

As time passes, the simplicity of the young plant slowly fades into the past as the plant matures and spreads its new expanse over the earth. Soon a flower appears as a torch for the future.

Growth is progress in nature. As we see growth in nature, we see progress in our civilization. Cities expand and technology advances at every moment.

This progress was reflected in the changes at Slidell High School this year. Most obvious was the construction project going on throughout the school year. The sorely missed gym and cafeteria that had burned were being replaced with a new gym and cafetorium with the addition of a new bandroom, library, and home economics and science labs.

NEW CURRICULUM DEVELOPS STUDENT KNOWLEDGE AND INTERESTS

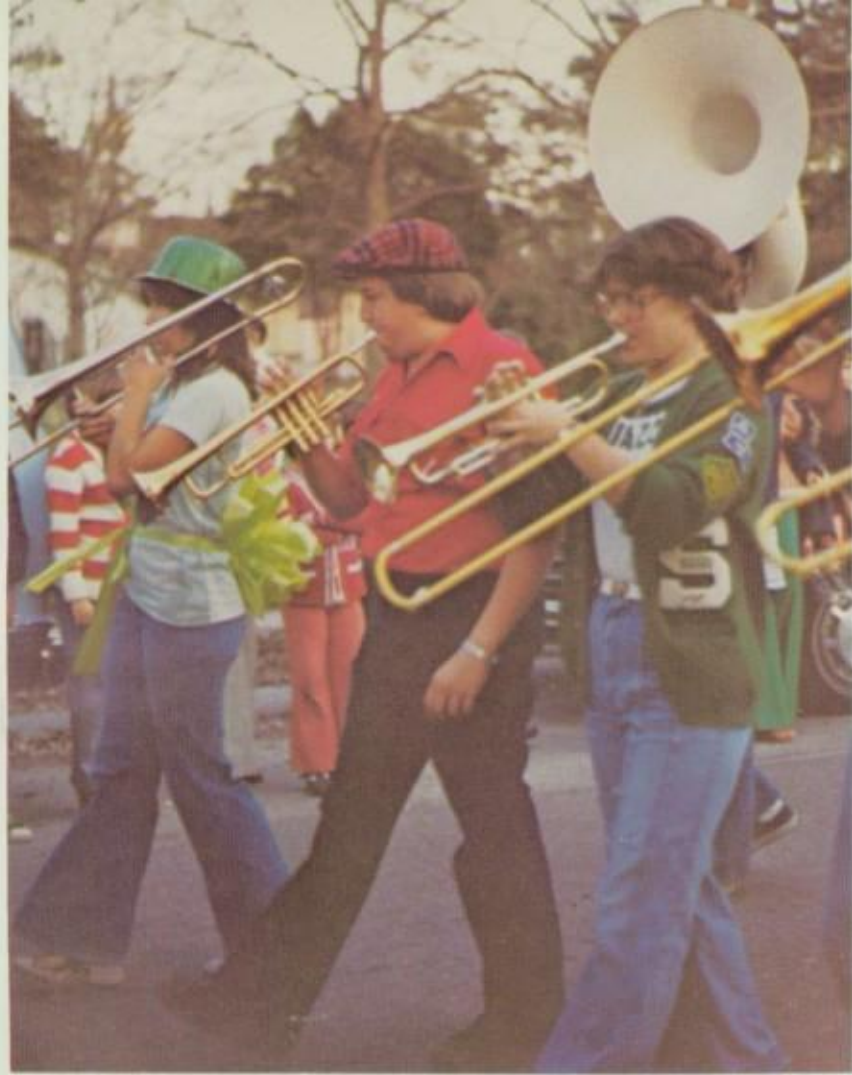

Keeping up with the progress of our civilization, Slidell High added several new courses to its curriculum. The addition of Journalism gave students a chance to use newfound knowledge of newspapers on the enlarged *Tiger's Roar* staff. Making music available to more students, the music department offered Music Appreciation, new instrumental classes, and more classes of chorus. To the delight of some and possibly to the embarrassment of others, physical education classes became co-educational. Slidell High's representative students demonstrated their acquired knowledge when they participated in the literary rallies and came out as winners.

INVOLVEMENT IN SCHOOL ACTIVITIES EMPHASIZED

Just as intellectual growth increases through academics, the individual becomes rounded and complete through activities. This year at Slidell High School more emphasis was placed on club and organizational membership, and students became more involved. Involvement increased pride in Slidell High School students, making the student body come together to make the school's growing pains easier to bear.

The school beautification project in which most of the school clubs participated united clubs and students for a common purpose. After football game dances, the Gong Show, and "Anything Goes" were some of the new activities of the year. Club projects and games gave students chances to make new friends and increase their pride in the school.

STUDENT LIFE

"Would you buy a flow'r off a po gul?" Students working with Slidell Little Theatre's "My Fair Lady" often lapsed into the Cockney as they joked with friends. Stage work increased self-confidence and also provided fun times. Others became involved with other SLT productions, helping both on stage and off.

Imagine seeing Yul Brynner and Neil Sedaka . . . better yet, even meeting David Hartman and Brett Somers face to face! Well, that's exactly what a group of students from Slidell High did. Traveling to the exciting city of New York, they saw all the sights and enjoyed several Broadway plays including "Chorus Line" and the popular returned "The King and I."

PROJECTS MAKE ENGLISH CLASSES MORE INTERESTING

Projects, book reports, term papers and grammar are all a part of English class. But this year, instead of reading about England in a text book, seniors had an opportunity to visit England.

Taking off a week from school, 23 seniors participated in a study tour of England. These students had the opportunity to see what was before only pictures in a book.

By the time May comes around, English students have thorough knowledge on Macbeth, Ceasar and Dickens from their studies of English and American literature. Seniors as well as juniors are well versed on the mechanics of putting a research paper together. Literature thrives on the active young mind. And students, whether they know it or not, have grown intellectually as the year closes.

COMMUNICATION THROUGH SPEECH

First year Foreign Language students learned their languages through skits, reports, and dialogues. French II and Spanish II attended the Foreign Language Festival in Covington, where Slidell High picked up two first places, three second places, and three thirds.

Speeches, plays, skits, and improvisations were all a part of the Speech I and II Classes. Students to express their emotions without words.

SCIENCE CLASSES ANSWERS QUESTIONS OF LIFE

Reproduction, dissecting, formulas, and chemicals are all parts of science. During the year science students participated in many different activities.

In general science mostly basics, rocks, space, and the human body were studied.

In biology, students studied living objects. Many students enjoyed the disectings of plants and animals.

Chemistry is a mixture of algebra and science. Students spend much of their time studying formulas, chemical breakdowns, and performing experiments. They also made different chemicals.

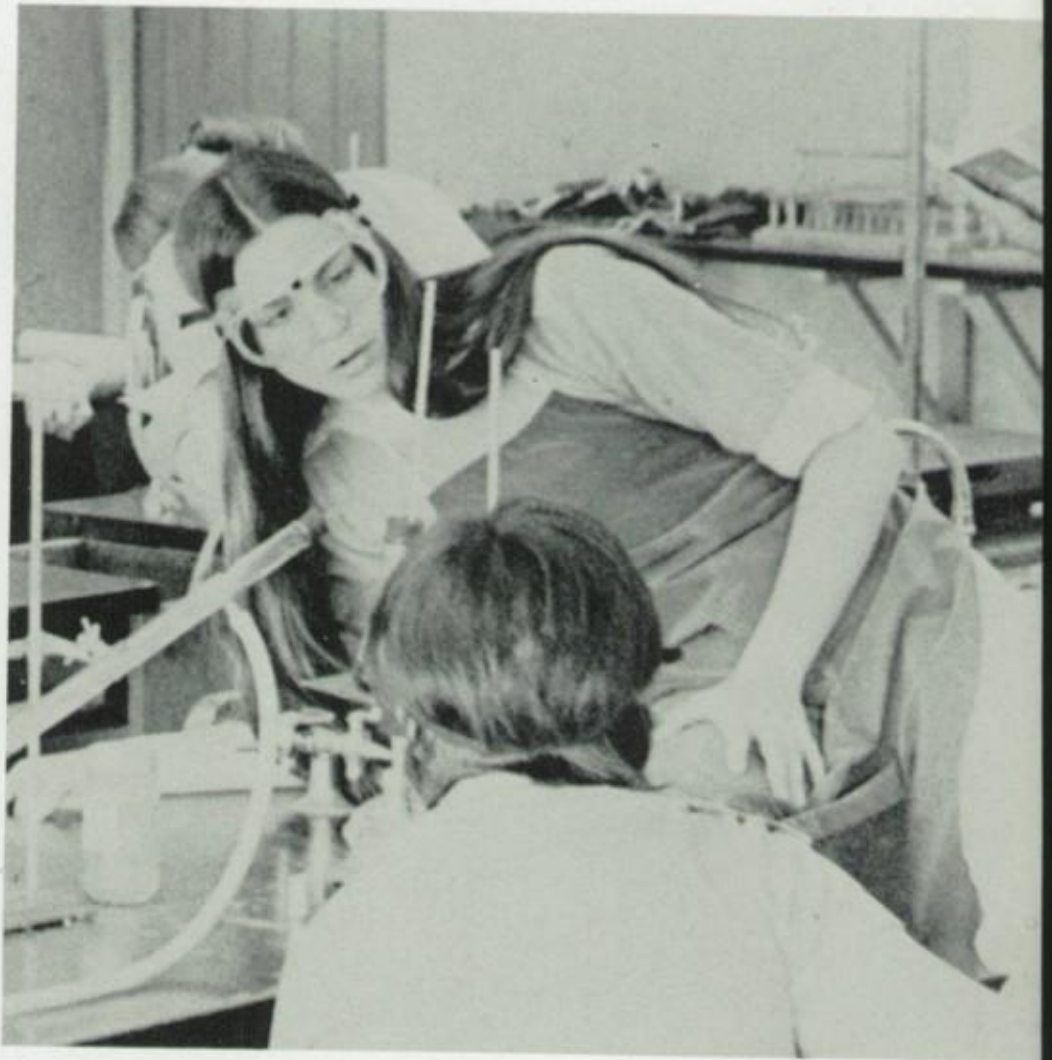

Physics is a course that deals with matter and energy. The students studied force, motion, light, electricity, and nuclear energy.

The physical science students learned the basic laboratory techniques and were given opportunities to use them during the school year.

IN MATHEMATICS ALL FIGURES ADD UP.

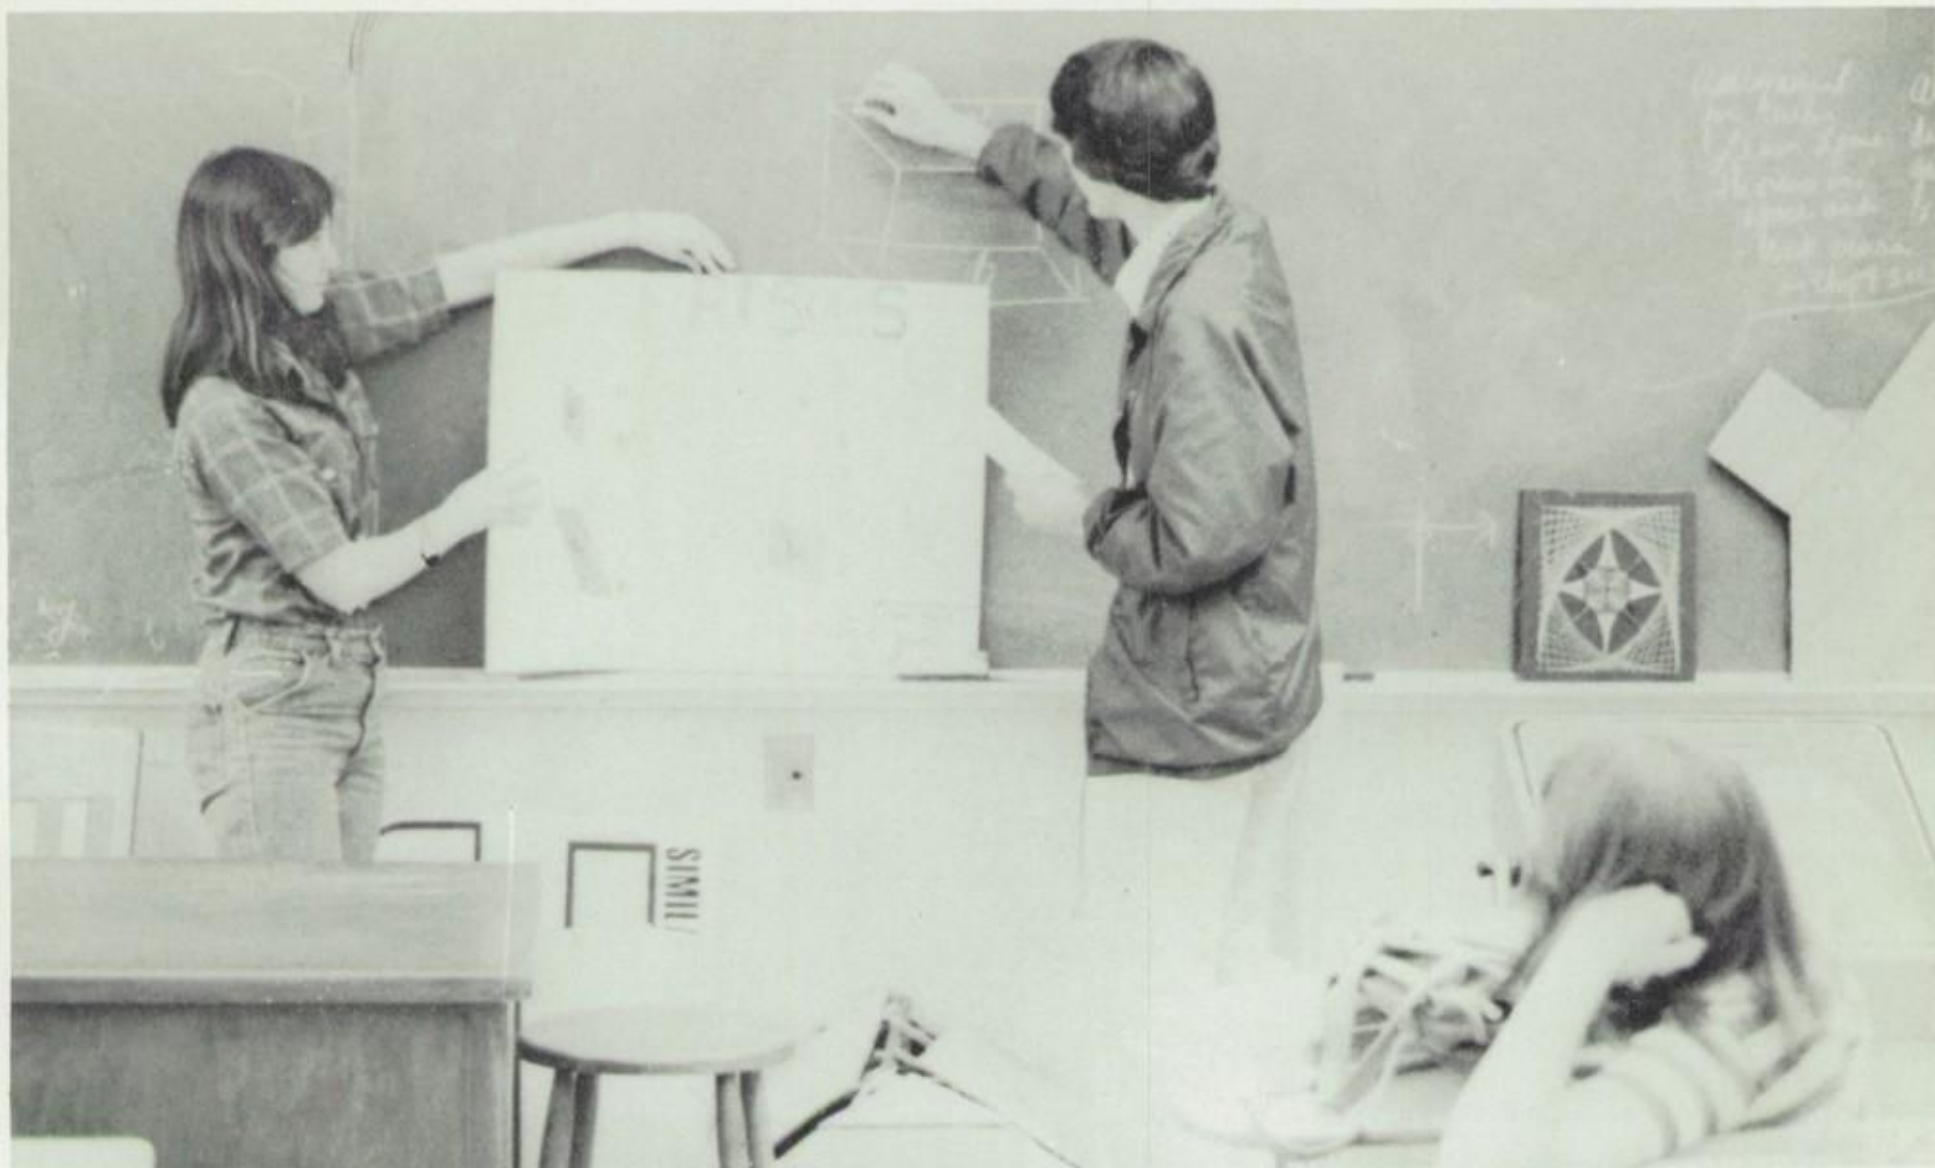

Slidell High School offers a wide variety of math courses, ranging from calculus and trigonometry, to algebra I and general math. These courses allow the students to advance at their own pace. When taking general and senior math the students learn the fundamentals of math and how they apply to daily living. As for algebra I and II they learn how to use the concept to solve quadratic expressions and how to work word problems. For the advanced students who take trigonometry and calculus they learn the properties of the functions of sine and co sine and how to graph equations. Even though the students of Slidell High only have to take two full credits in mathematics, many of the students choose to continue with their math education.

SOCIAL STUDIES IS LEARNING MORE ABOUT YOURSELF AND YOUR COUNTRY.

What was the date Pearl Harbor was bombed? How does one develop a better understanding of himself and others? These and many other topics were discussed in the various social studies programs offered at Slidell High. These classes ranged from Geography and Civics to Sociology and Psychology.

Through learning more of their country, its government, and history, students developed better understanding and respect for their country in American History and Government. In World History and Geography, students became better acquainted with other lands, people, and customs. In Psychology and Sociology classes, seniors explored their minds, motives, and relationships with others. Through this exploration of themselves, they grew and became more responsible adults.

PRACTICAL SKILLS USEFUL IN BUSINESS WORLD TAUGHT

Vocational classes prepared students for life in the business and home worlds. Business courses, such as bookkeeping, typing, and shorthand, taught students many clerical and secretarial skills. Industrial arts classes gave students practice in areas of woodworking, drafting, metal arts, and auto mechanics. In home economic classes, students learned not only cooking and sewing, but also many other useful things, such as child care, nutrition, and consumer education.

FINE ARTS ROUNDS OUT EDUCATION AT S.H.S.

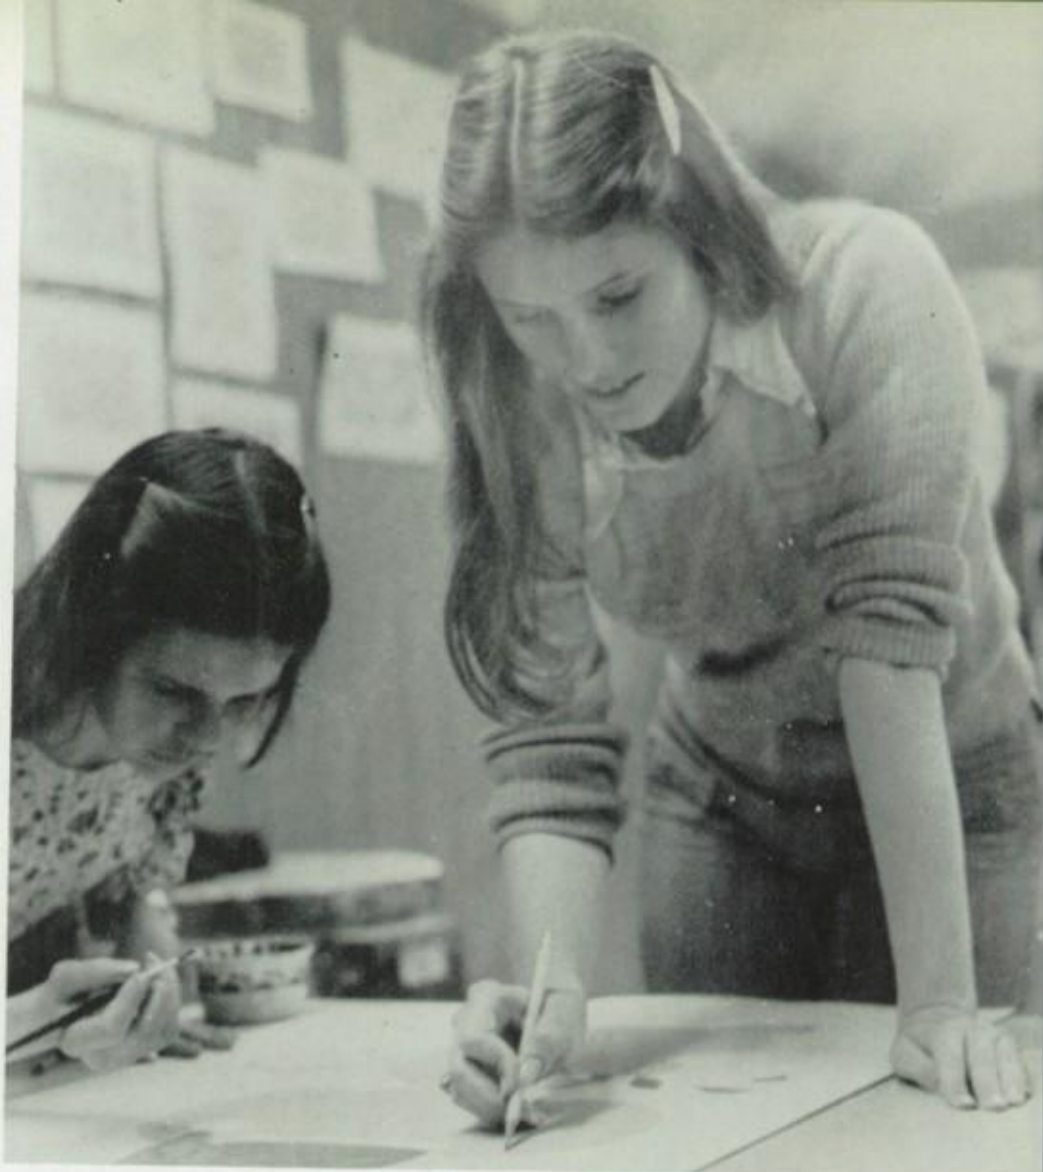

Art classes satisfy the student's desire to express himself or herself visually. Working with mediums ranging from oil painting to macrame, the possibilities for expression are infinite. Also included in the art instruction is the practical knowledge which is often put to use in the clubs and classes.

Chorus is an unique area of the arts because the students use their voices instead of a palette or a clarinet to contribute to the world of the arts. Learning numerous pieces of music throughout the school year, chorus students improve their vocal talent as well as contribute to school life in general.

P.E. CLASSES ARE A CHALLENGE TO ALL

For the second year physical education classes were quite hampered without the gym, but quality education was carried out still. This was the first year of co-ed classes and it proved to be a great plan. Outdoor events were organized in lieu of indoor activities. Many students enjoyed being outside after spending all day indoors.

The year started with the President's physical fitness test in which all classes participated. After it was completed, the classes chose activities from the list including softball, track, kickball, football, and field hockey. On rainy days the schedule consisted of a variety of programs ranging from health or study hall to bingo.

Without a gym, the program proved to be a challenge, but also a success.

SPIRIT GROWS THROUGH HOMECOMING ACTIVITIES

Dummy hanging, a traditional Homecoming event, started spirits growing as the Lumberjack was hung to start off Homecoming Week. Tuesday, pepday, Mothers of football players came over to show their pride as the band played tiger boogie at lunch.

The parade on Wednesday highlighted spirits as pride in classes were displayed in their floats. Spirit tags were displayed on Thursday by different homeroom classes. Homeroom 11-6 won overall in all classes. At the pep rally on Friday pride and spirit bounced high as cheerleaders and Swingerettes put on "The Greatest Show on Earth." Winners of the floats and spirit links were announced. Seniors took overall sweepstakes prize for their float with "Flap the

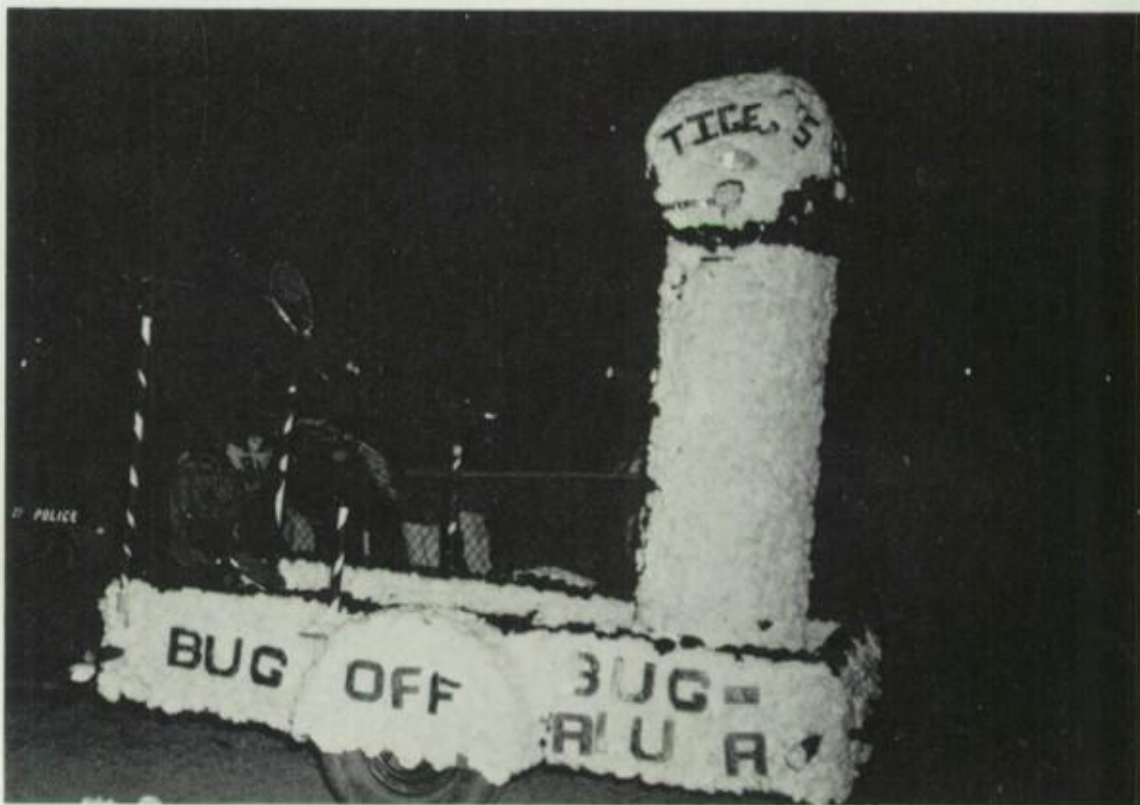

Jacks." The Freshman float placed first in the classes with a theme of "Bug off Bogalousa." Interact's "Ride with Pride down Tiger Lumber Slide" came in first for clubs. Seniors took first in spirit links with the Junior class running a close second.

Friday was highlighted by the presentation of the court. Holly Brothers was crowned Homecoming Queen by Mr. Buccaran with Sheila and Sharla Wood serving as honor maids. Victory did not come to the Tigers as the Lumberjacks triumphed at the football game but the fans kept up their spirit. The week's grand finale came as students danced to the sound of Apple Jam in a Star Wars setting.

SAGA presents Love Among the Ruins

On the magical night of March 11, love-struck Slidell High students danced among the ruins of ancient Rome to the music of **Uptown**.

Decorated lavishly, the Bayou Liberty Civic Club was transformed into a replica of ancient Rome. Columns lined the walls and a trickling fountain added to the illusion. The air was filled with mystery and anticipation as everyone speculated upon the identity of Mr. and Miss Slidell High School.

Holly Brothers and Carlos Navarez were chosen to reign for the evening as Miss and Mr. SHS. During the presentation, the runners-up were revealed to be Sharla Wood and Keith Craft.

As the mystical hour of midnight drew near, the magic slowly left, but not quite, so everyone left with an aura of Olympus still surrounding them.

CLASSES AND TEACHERS COMPETE IN "ANYTHING GOES"

A television show come to Slidell High School? Well, no, not exactly, but the excitement at the PTA sponsored "Anything Goes" came close to that of the famous TV show.

Faculty and students signed up for the event, and team members' names were picked out of a hat for the faculty, senior, junior, sophomore, and freshman teams. The faculty team with five members and each class team with four members took part in different types of relay races. One of the out of the ordinary races was a bike race in which participants had to put on and take off a Groucho Marx mask and tie and wig. Another event was a relay in which team members filled football jerseys they were wearing with water balloons. The tie-breaking relay was a junior-senior bicycle race. First place winners were the seniors. Juniors came in second with sophomores in third place. The faculty and freshmen followed with fourth and fifth, respectively. All participating winning team members received cash prizes with other additional prizes.

SENIOR PLAY CREATES MEMORIES

Shakespeare in a gym? For four magical evenings St. Tammany Jr. High gym was transformed into a theatre filled with Shakespearean drama and the music of Cole Porter combined in a sparkling performance of "Kiss Me Kate."

Pre-auditions in a library, auditions in a hall, rehearsal in a foyer, scenery construction in a shed, and performances in a gym; these were some of the obstacles leapt by the Class of '78 in presenting their play which was directed by Ann Bryant. The Cast and Crew rose above each difficulty and staged one of Slidell High School's most memorable productions ever. Who can forget the theatrical character Fred Graham/Petruchio, or the Shrewish character Lilli Vanessi/Kate. The playful infidelity of Lois Lane/Bianca and Bill Calhoun/Lucentio was matched only by the antics of the two gangsters. Many will hold memories of the colorful and powerful vocal skill of the chorus. Behind the scenes a highly devoted and cohesive group of committees and individuals worked diligently to make the production a success. Key club and city officials, although not directly a part of the Senior play, made their contributions, as did a host of parents and citizens.

The Lords and Ladies of Padua will forever stroll imaginary streets singing songs of love. The world of light, color, costume and mask is one which will be remembered often. Each senior will recall the many different kinds of people who were once strangers but, who crossed over cliques and inhibitions, revealing and sharing themselves with their fellow human beings.

SENIORS "SING OF LOVE" AT PROM

The evening of May 6 proved to be a memorable occasion for the senior class of 1978. This years theme was "Sing of Love" and decorations were done in sixteenth century style.

Serving as Master of Ceremonies over the prom program was Jimmy Massingale. Tim Badon and Jimmy Massey delighted the seniors with the reading of the Class Will: the Class Prophecy was given by Donna Mickelborough, Mark Messonnier, Bryen Williams, Stuart Schwartz, Larry Breland, and Jimmy Pailot. Mrs. Verzwylt gave the tribute to the seniors and Lisa Groninger followed with the Senior Response. The Class Poem was read by its author Katrina Pratt and at the conclusion of the program the seniors gathered together to sing their class song "Come Sail Away".

MANY SUPERIOR STUDENTS MERIT AWARDS

Being asked to sit in the reserved seats put smiles on the faces of many students at Slidell High, for this honor meant they were to be recognized for at least one of their outstanding achievements.

At the 1978 Awards Ceremony, various awards were presented, ranging from high scores on the National Educational Development Test and academic awards to scholarships.

The senior class was well represented with Harold Plourde receiving the Martin Marietta and Navy ROTC scholarships. Keith Craft received a basketball scholarship to Evangel College in Missouri, and Shen Li received the Bell Telephone Award. These were only a few of the many awards and scholarships presented at the two-hour ceremony.

RAIN DOESN'T DAMPEN SPIRITS OF "78"

GRADUATES

Thursday, May 18, 1978, is a day that will long be remembered by the class of 78. This was the night of Slidell High School's sixty-eighth Annual commencement exercises. Originally set for Wednesday, May 17, 1978, the graduation was postponed due to rain.

The seniors of "78" chose "Come Sail Away" as their class song, which was sung by Kelly Shelton at graduation. The class poem, written by Rena Pratt, was "tomorrow is a Sunrise". The Talisman Rose was chosen as the class flower and Talisman and Gold were the class colors. The platform was decorated with the Talisman roses and the class colors.

Leading the 360 graduates was Shen Yu Li, valedictorian, with a grade point average of a perfect 4.0. The salutatorian with a 3.9756 grade point average was Lumie Kawasaki. Serving as master of ceremonies for the commencement program was class president David Devillier. The invocation was given by Darren Elzie. The graduates acceptance speech was given by Frank Cusimano, whose speech was rudely interrupted by fireworks.

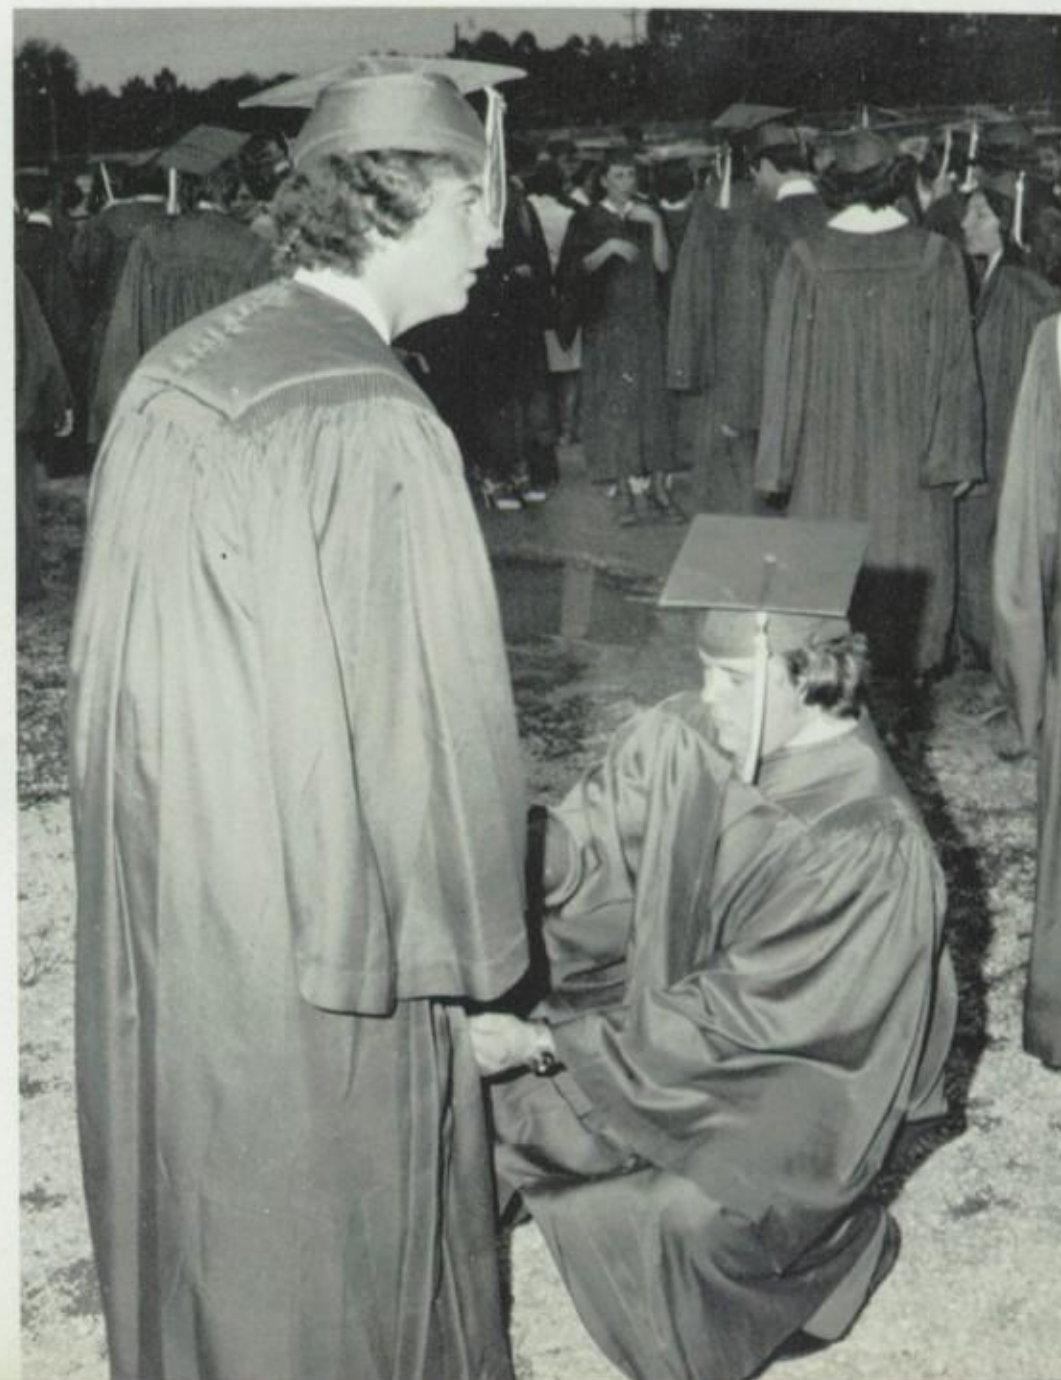

The graduates looked forward to graduation with mixed emotions, but they will remember that one moment when they flipped the tassel from the left to the right side and officially became graduates of 1978.

TIGERS HELPED BY EXCEPTIONAL GRIDMEN

The Slidell Tigers had an impressive season of 4-6 under the new coaching staff of head coach Jeff Panks. Shutouts were posted against Scotlandville (7-0), Belaire (16-0), and Hammond (6-0). The only downfalls were the Salmen and Homecoming games which put a slight damper on the fan's and teams spirit.

The Tiger's fans showed their backing by chalking up big turnouts at home games and astounding enthusiasm at away games. At least two buses were packed to every away game with roaring tiger fans eager to show their team spirit.

SLIDELL TIGERS HAVE IMPRESSIVE SEASON

The Senior Tigers had an exceptional year with Noel Forrester being named to all-state. Greg Dicke, Carlos Nevarez, Jimmy Massingale, Tim Badon and Buddy Williams also had phenomenal years.

Juniors Gary Verzwylt and Russell Mitchell along with sophomore Mike Gambrell helped clean up the opponents.

All in all the '77 Slidell Tigers had a gr-gr-great season worthy of recognition and one that any "cat" should be pleased with.

HOURS OF HARD PRACTICE MAKE FOR A GOOD SEASON

With a big fifty-four member team, the Junior Varsity football team of Slidell High School gained valuable experience in a season of hard practice. Hours were spent running up and down the stands and around the track, as well as lifting weights and playing scrimmages. All of this, plus a great coaching staff, produced an exceptional football team.

PRIDE HELPS TIGERS THROUGH A TOUGH SEASON

The excitement of basketball was apparent on the faces of those attending Slidell High basketball games at the Boyet gym. Roaring fans packed the gym so tightly that sometimes there were no more places to sit in the crowded stands.

Highlights of the season were the battles between the Slidell High Tigers and the Hammond Tornadoes. Each team had a victory in its favor. Hammond won the first game by a score of 83-95, while Slidell took the second game, 49-39. With the Tigers on top, 74-57, the third game ended. These two teams met again for the Sub-District Title; the Slidell Tigers were victorious by a 62-55 margin. Then we headed for the District Championship where we played Glen Oaks. It was a very close game the whole way. When the buzzer sounded, the scoreboard read 51-53 with Glen Oaks victorious.

Coach C.A. Core and his Varsity Basketball Team can still be proud of its 17 win and 17 loss overall this season. Its district record of 13 wins and 2 losses is very impressive for only being in Quad A for three years.

J.V. BASKETBALL GIVES UNFORGETTABLE EFFORT

Showing outstanding talent, the Slidell High Junior Varsity, under the guiding hand of head coach Sam Jenkins, progressed winningly all the way to the regional playoffs.

The Baby Tigers showed magnificent courage and showmanship and although they lost, they had become Slidell High's first Junior Varsity team to make it to district, much less regionals. Fans pouring in to see the varsity Tigers play often got the thrill of seeing the J.V. wipe up their opponents creating an aura of confidence for the Varsity members.

LADY TIGERS FIGHT FOR VICTORY

The Lady Tiger Basketball team managed to come out ahead in their 31-game season despite numerous obstacles set in their path. In addition to the illnesses that plagued the team all winter, the girls were faced with 20 road games against tough teams and no gym to call home. For practice the girls had to be ready whenever and wherever head Coach Linda Payne could find a gym. One time they were forced to practice from 10 p.m. to midnight!

But the spirit and determination of the girls held up, and they went on to finish the season with 17 wins, 14 losses. They took second in District 7-A AAA behind state champs Hammond, they won the Region 6 championship, and they advanced to the quarterfinals in the state playoffs, where they lost to Landry.

Varsity captain Debbie Cochran was selected to play in the Louisiana East-West All-Star game, was named to the 7-A AAA All-District team along with teammates Diane Poole and Judy Adams, and received a full athletic scholarship to USL, the first Slidell female to do so.

TIGERS CAPTURE DISTRICT TITLE

When the 77-78 baseball season finally came to an end, our Varsity Team completed one of its 'finest' seasons ever. For the first time in 15 years, Slidell won the 7-AAAA District Championship with district record of 12 wins, 2 losses. Under the direction of head coach Dennis Cousin and assistant coach Wilfred Brousse, the Tigers also took the sub-district championship. Coach Cousin, who had his team working out in gymnasiums due to bad weather since the fall, was named Coach of the Year. Six of the players were named to the All-District team, including Greg Dicke, Mark McClintock (Utility infield), Andy Underwood, Bob Hastings, David Folse, and Howard Brothers.

LADY TIGERS ARE REGIONAL CHAMPIONS

Winning was the name of the game of our Lady Tiger Softball team this past year. Even before the beginning of the season, the Lady Tigers held practice after practice. All their hard work payed off with a victorious season. After winning the regional playoffs, our Lady Tigers still had a big challenge ahead of them—the State Playoffs. Our ladies won their play off opener against a tough Lafayette team. In the semi-finals the tigers went down in defeat to Andrew Jackson of New Orleans who went on to become State Champions.

A Slidell High Junior, Lanae Lightfoot was chosen "Most Valuable Player" of the year. Our congratulations to a terrific pitcher. Junior Natnapit Thongpreda was selected as "Most Improved Player". Sophomore Nisra Thongpreda received the "Best Offensive Player" award. Lisa Watkins received the "Best Defensive Player" award in her final senior season.

VICTORY IS IN THE AIR FOR J.V. BASEBALL

Looking at our Junior Varsity baseball team this past year, Slidell High found that our J.V. team had a good season. Having won more than half of their games, the Junior Varsity team learned many valuable lessons.

According to Coach Brousse, the team had shown much improvement over the year and many will be looking forward to playing on the varsity team.

SLIDELL HIGH'S TRACK TEAM IS ON THE MOVE

Endurance, strength, and speed exemplify our 1977-78 track team. During this year's track season, Fred Miller set a school record for the mile run and also qualified for the Regional track meet. In the javelin throw, Steve Hartley represented Slidell High School in the Regional competition. The highlight of the year was defeating Salmen in a tri meet with Brother Martin.

This year the most outstanding track runners award went to Fred Miller and Paul Crow. Taking the field events award was Randy Fandel, while Joe Smith received the most improved track man honors.

Headed by coaches Addis and Percy, this year's team had few seniors, but they were consistent scorers. However, we have a solid nucleus returning on which Slidell High can build an excellent track team.

LADY TIGERS ARE INVITED TO THE REGIONALS

After winning several games, the Lady Tiger Volleyball team was ready for the regionals. The Tigers were undefeated until they played their fourth game in regional competition against Erhet High. Several of the team members said their toughest competition was the Covington High team. The teams success in competition certainly showed that their hard hours of practicing was worth the work.

TENNIS AND GOLF SWING INTO ACTION

After months of winter practice the tennis and golf teams were ready to display their talents on the courts and course. Both teams racked up many wins including one state championship. The tennis team coached by Barbara Cole won matches against Salmen, Hammond and Covington. At regionals the team of Mark Stielper and Kevin Bryant won one match, and the mixed doubles team of Teresa Denzinger and Tom McKean won at regionals and went on to compete at the state tournament. Teresa Denzinger and Mark Stielper earned the most valuable player awards.

The golf teams, coached by Nancy Addis, had a good year. The boys' team competed against such teams as Hammond, Bogalusa, Covington and St. Pauls. Chris Smith was most valuable player. The girls' team had a great season as shown by their defeat of St. Scholastica and Grace King before going to state playoffs. The state team was comprised of Linda Lemmon, Liz Nix, Tina Gambrell, Debbie Wolfram, and Mary Beth Rupert. These girls won their second state championship in three years.

STUDENTS LEARN RESPONSIBILITY AND

The work of a good Student Council is never finished. The 1977-78 Student Council, guided by Mrs. Lucy McClure, Mrs. Betty Verzwylt, and Mr. Barney Dykes, sponsored many activities to get the Student Body involved in Slidell High.

For the first day of school, officers placed flags in new classrooms, placed welcome posters around the school, and provided the teachers with coffee and doughnuts.

Buses were scheduled to take Tiger fans to all of the away games and victory dances were held at K.C. Hall after home games.

Student Council's pride, Homecoming Week, which included the Hanging of the Dummy, Pep Day, the Homecoming Parade, Spirit Link Competition, Green

and White Day, and the Homecoming Dance, brought in \$3,681. This money went to buy visual aids and books for the library.

The Sadie Hawkins Dance came as a refreshing change in the normal course of school dances.

Beautification Day, Student Council's brainstorm, was an enormous success. Students and members of different clubs came to clean up the school.

In the spring, Green and White Day, Class Colors Day, election speeches, voting, Western Day, and 50's Day, were all a part of Student Council Week.

Officers and representatives worked hard all year and were rewarded through the annual picnic at Buccaneer State Park.

"ALL THE WORLD'S A STAGE ..."

For the acting side of SHS, Drama Club gave many students the chance to let their theatrical talents shine. Sponsored by Miss Ann Bryant, everything done by Drama Club had a professional flare to it. The play for the year was "The Uniform Unicorn". This was directed by Miss Kennedy and performed at the public elementary schools around Slidell.

To earn enough money to carry out their ideas, Drama Clubbers held bake sales during lunch and sold cokes at the Senior Play.

Several of the more experienced students were inducted into the International Thespian Society, an honor society for actors and actresses.

NATIONAL HONOR SOCIETY SETS EXAMPLE FOR STUDENTS

Membership in the National Honor Society is based on the student's leadership, scholarship, citizenship, and service qualities. Students excelling in these areas are reviewed and chosen by a board of faculty members. A formal ceremony is then held when the students chosen are inducted into NHS before the entire student body.

This year's induction ceremony ran a little differently. Because of rain and the lack of a gymnasium, old NHS members went to the homerooms and escorted the inductees to the library where the ceremonies were held. After the ceremony, both new and old members and the faculty board were treated to a luncheon at Navia's Restaurant.

Other NHS projects included a decorated car in the Homecoming parade, sponsoring College Night at Salmen High, promotion of SAT, PSAT, and ACT tests, and the Gong Show.

ART CLUB PROMOTES CREATIVITY

Under the sponsorship of Miss Barbara Krul, the Art Club of Slidell High promoted the visual arts and enabled students to explore the field of art by participating in various projects throughout the year. Activities ranged from silk screening shirts to visiting the "Treasures of Tutankhamen" exhibit. Officers for the 1978-79 school year were Kim Diebold, president; Darrell Galatas, vice president; Jay Duhon, treasurer; and Ginger Smith, secretary.

SAGA YEARBOOK STAFF RECREATES STORY OF SHS

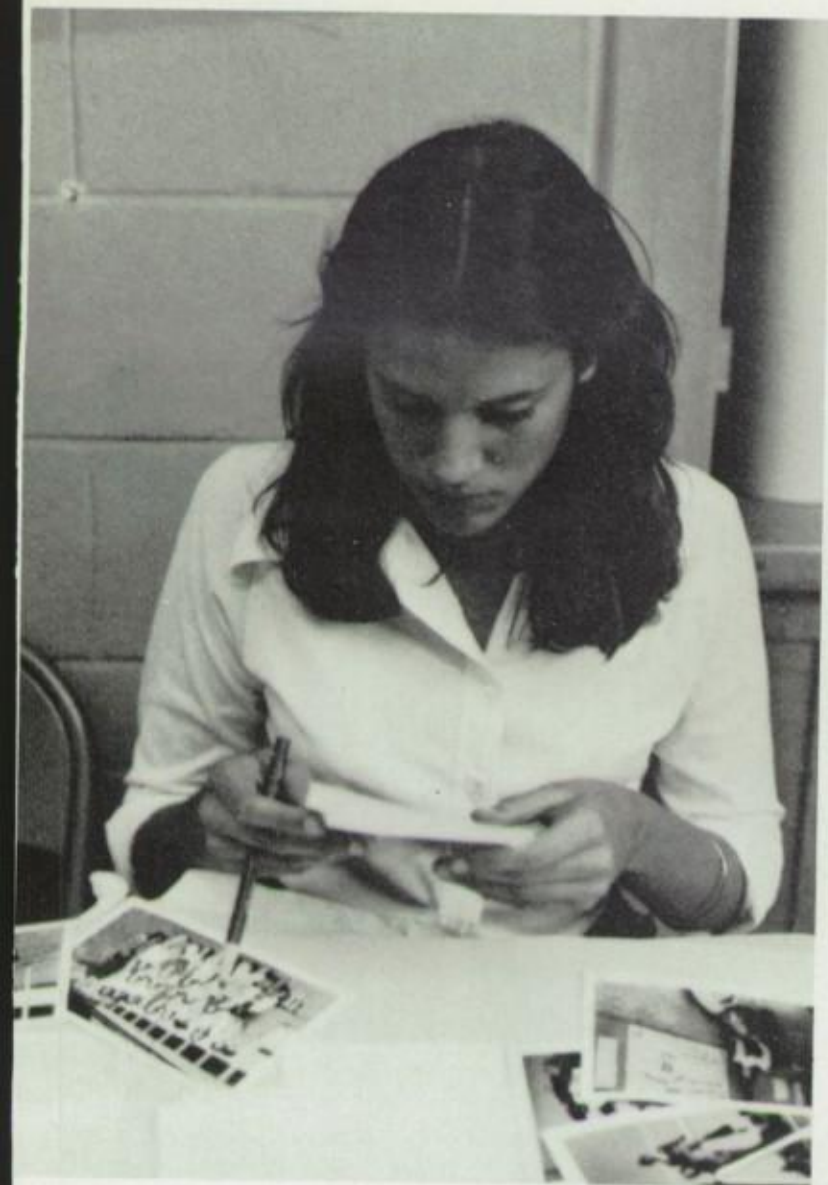

Working to recreate the story of the 1977-78 school year, **Saga** staff members spent many long hours cropping pictures, writing copy, and designing layouts. Although much time was devoted to the production of the yearbook, staff members also undertook many other duties. In order to lower the cost of the yearbook for the students, the **Saga** staff sold ads and boosters to local businesses and friends and presented class favorites at the annual Saga Ball. Other projects staff members participated in included the taking of I.D. pictures and school pictures and the school clean-up.

CHEERLEADERS TAKE NCA TITLE

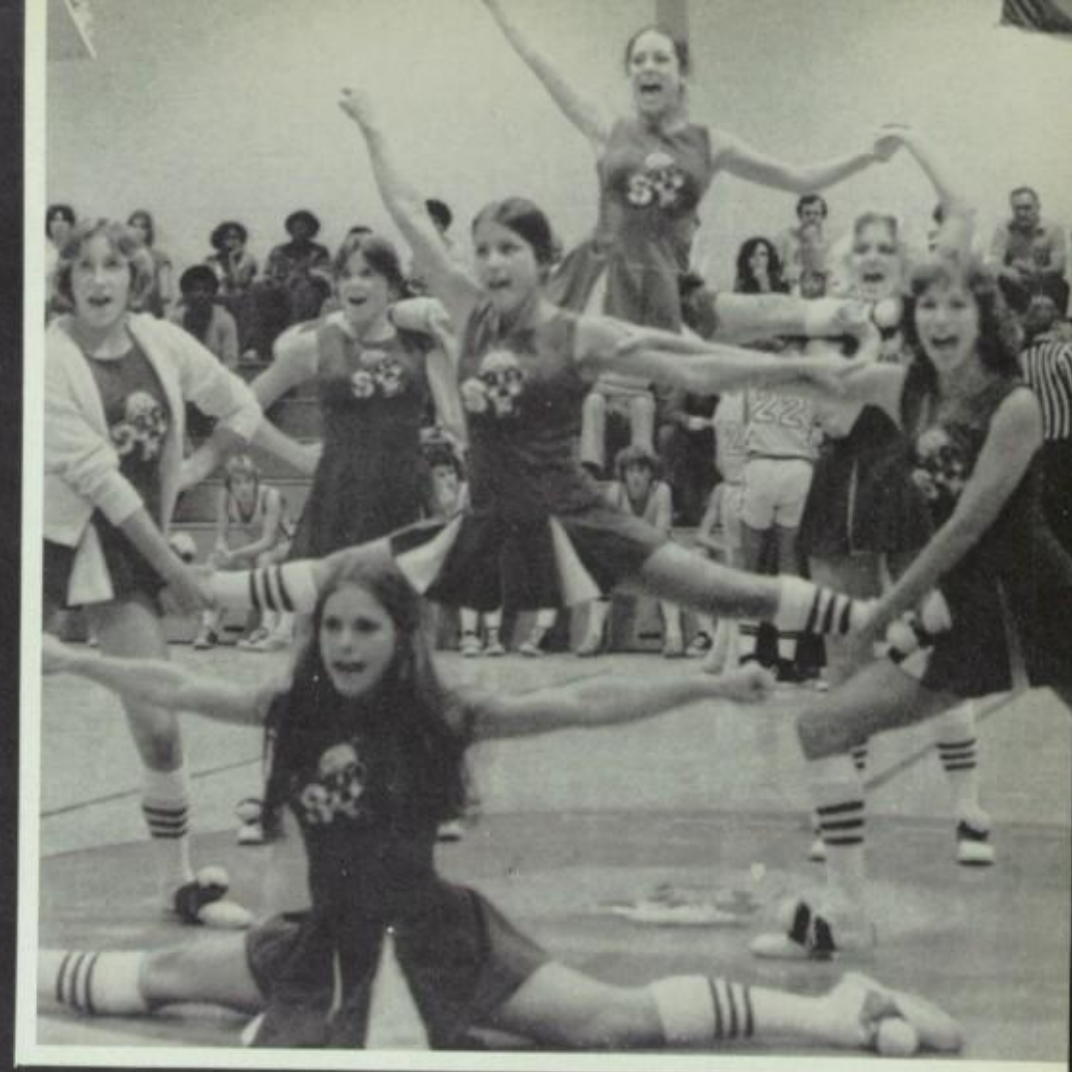

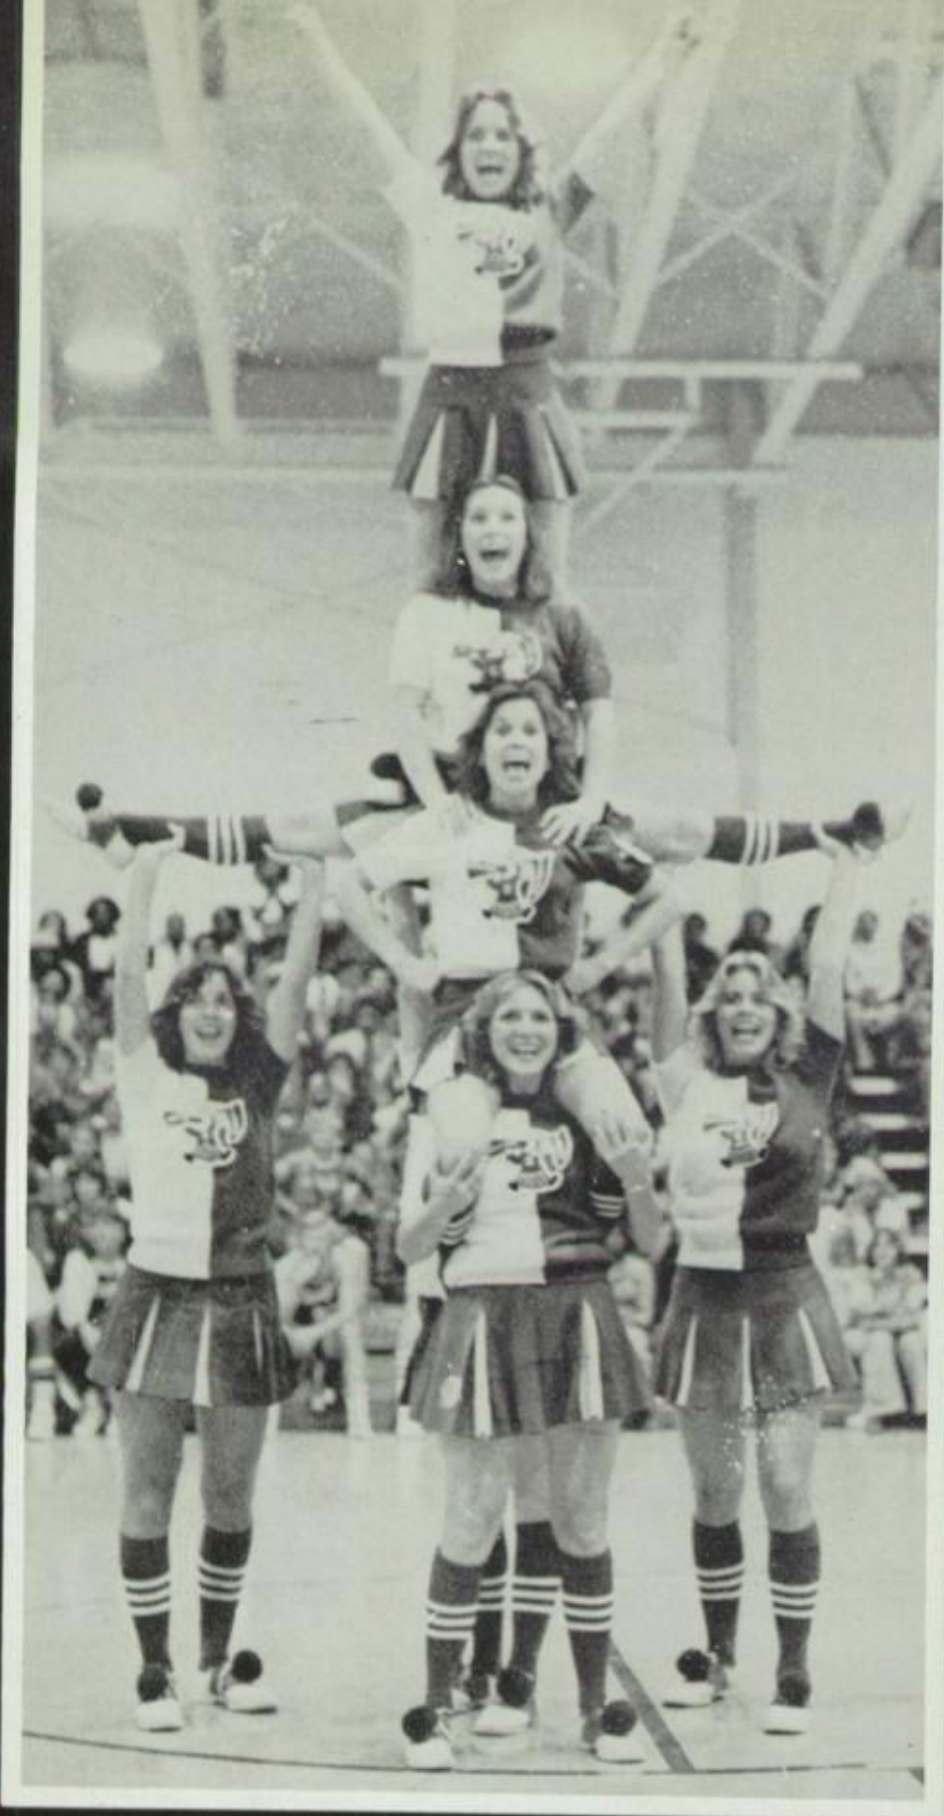

The Slidell High cheerleaders proved that they, like all the other groups at SHS, are superior to everyone else in their field. While attending camp in Perkinston, Mississippi, they were presented with the Award of Excellence by the National Cheerleader Association. This award is the highest given by the association, and the SHS girls were chosen above fifty other squads.

In addition to the Awards of Excellence, the cheerleaders brought five superior ribbons and a spirit stick home from camp. But that wasn't the end of their accomplishments. Back at SHS they continued to boost the spirit and morale of both the students and the athletes by hanging encouraging banners and signs in locker rooms, on players' lockers, and throughout the school in general. In these and other ways, the cheerleaders made their contribution to the Pride of Slidell.

TIGER SPIRIT SHOWS DEDICATION, SPIRIT, AND PRIDE

Practicing three and four hours a day is an example of what these twenty-four girls did for the pride of Slidell High School. Directed by Mrs. Linda Payne, the Tiger Spirit performed in many parades around Louisiana. The adaptability of the group was illustrated by their varied activities of the 1977-78 school year.

During the summer months these girls attended the Fred J. Miller Clinic in Mississippi and the National Spirit and Sport Camp at Tulane. During half time at the football games, the Tiger Spirit demonstrated the unique techniques they learned at the camps. They won a superior rating at the Tulane Drill Team competition. These girls have really shown the pride they have in Slidell High.

SWINGERETTES SERVE THROUGH DEDICATION

The Slidell High Swingerettes have aided the student body and the school many times this year. Dancing at football and basketball games provided entertainment. The Swingerettes also sponsored a dance after the first home game.

Representing Slidell High in competition at the Miss Louisiana Drill Team Contest, they received a superior rating. Captains Lisa Landreth and Liz Verzwylt led the group this year under the direction of sponsor Miss Jean Chretien.

SPIRIT, SACRIFICE, AND SORE FEET WIN FOR BAND

The one word that could be used to best describe the 1977-78 Tiger Band is SPIRITED. This spirit was reflected from each and every bandsman. But, this practice led to many sacrifices at times: sacrifices such as practicing for long hours on wet fields, leading to very tired and SORE feet.

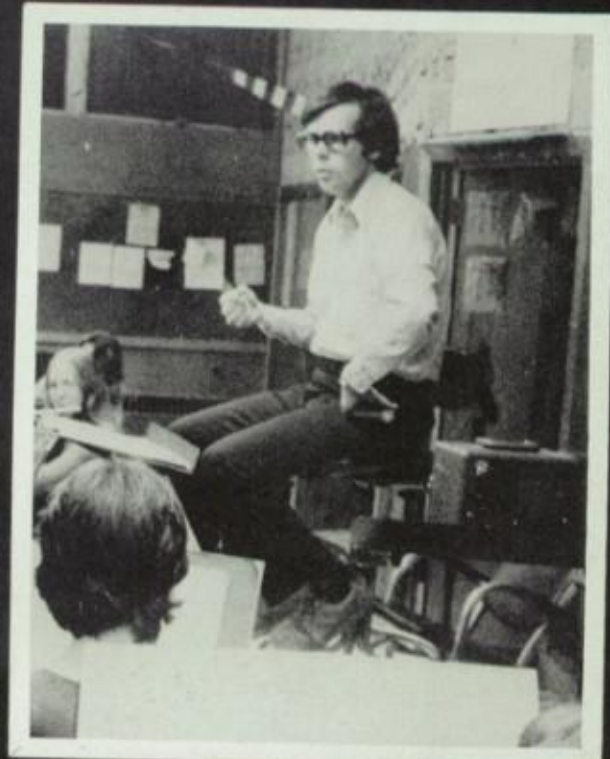

However, all was not pain of defeat. The Tiger Band won four Excellent ratings at the Picayune Marching Festival and captured the Battle of the Bands award at the Covington District Fair, living up to the name THE PRIDE OF SLIDELL.

THREE BAND STUDENTS MAKE ALL-STATE

As the music department grew and expanded, there resulting variety of instrumental music classes gave students chances to express themselves more fully. The symphonic and concert bands concentrated their musical talents on more seriously arranged music, whereas the jazz ensemble released themselves in jazz and popular compositions.

The symphonic band traveled to Baton Rouge to take part in the festivals contest at L.S.U. at which they received high ratings. A large number of musical students auditioned and became members of the 1977-78 Parish and District Honor Bands. Three students made the All-State divisions; All-State Band—Diane Stewart. All-State Orchestra—Lumie Kawasaki, and All-State Stage Band—Mike Murrey.

The Jazz ensemble took part in the Loyola Jazz Festival and received excellent ratings. At the Loyola Festival, Billy Spencer was named the outstanding jazz player. Attending the Southeastern Louisiana University Jazz Festival, the jazz ensemble also received excellent ratings.

Diane Stewart was awarded the John Phillips Sousa Band Award at the Spring Concert, and at the Jazz Concert Mike Murrey received the Louis Armstrong Award.

Along with several other awards that were presented at the band banquet the charter members of the reinstated Lyre Club of Slidell High School were named. The great honor of memberships on the honorary club was given to Joella Manske, Diane Stewart, Scott Snyder, and David White.

With the gratitude of the graduating seniors, the concert band played Poms and Circumstance at the 1978 commencement exercises.

IN MEDIAS RES PROVIDES OUTLET FOR STUDENTS' TALENT

"In the middle of things," the English translation for **In Medias Res**, perfectly describes the SHS literary magazine. Composed entirely of original poetry, prose, and art by SHS students, it truly presents an in-depth view of the multi-talented student body. This literary magazine is unique in that it combines art with literary works, enhancing both and providing the reader with a richer experience. It attempts to draw talent not from one group alone, but desires the most diverse **melange** possible; this includes the ninth, tenth, eleventh, and twelfth grades.

To record or inform is not the purpose of **In Medias Res**, but, rather, it is dedicated to creativity for its own sake. It continually discovers unknown talent, encouraging those who create and inspiring those who appreciate. The publication serves the student body by providing simple enjoyment while performing a vital function of the learning process which is the exposure of the senses to an array of artistic and intellectual stimuli.

STUDENT NEWS KEPT IN PRINT

Trying their hand at journalism the 1977-78 Tigers Roar staff put out three issues of the **TIGERS ROAR** newspaper.

At the beginning of the year a committee was formed to cover each department and class activities during the school year. A few days before a deadline, these committees would get together and write up an article for the newspaper. All of the articles were turned into the editor.

Out of all the articles that were turned in, only a certain percent of the articles were selected to be in the newspaper. A layout was made up and the paper was set to print.

FOUR DECA MEMBERS ATTEND COMPETITION IN WASHINGTON, D.C.

People don't think that school is a good preparatory for the business world; but through organizations such as DECA, students have a chance to experience the business world. Students attend regular classes in the morning and then after lunch leave to work in various businesses in the Slidell area.

DECA also has many school projects along with their work. During Homecoming, DECA entered a float. Clash Day, Western Day and Teacher's Appreciation Day, along with a banquet, were some of the events of DECA Week in November.

At the annual awards banquet, Tony Cuevas and Sandy Hebbler were awarded the Student of the Year awards.

FBLA: A YEAR OF CHALLENGES

Future Business Leaders of America, otherwise known as FBLA, has been established at Slidell High for the past two years. During the 1977-78 school year, FBLA held a car wash, bake sales, and also held a raffle.

To be a member of FBLA, one must be enrolled in one of the many business courses offered at SHS.

FBLA held their 21st annual rally district IV conference in Gonzales, Louisiana. Three girls ranked superior in district, and continued on to the state rally. These girls were Lisa Overby, Janene Magee, and Darla McGehee.

TWO KEYCLUBBERS BECOME DISTRICT OFFICERS

Throughout the year, Keyclubbers worked hard to help improve their school and community. Key Club assisted the Kiwanis Club from time to time each year. This year they helped the Kiwanis with their Christmas tree sale and Pancake Breakfast.

Their community projects for the year included collecting money for the March of Dimes and St. Jude's March. They also participated in a skate-a-thon to help raise money. During carnival season they handled the refreshments for the Slidell Women's Civic Club and Slidell Ladies' Jr. Auxiliary balls. School projects included participation in clean-up day projects and parking cars during football season, senior play, and graduation.

At their convention this year the SHS Key Club had two members elected to district office: Paul Crow was elected to the position of treasurer, and Tim Wallace was chosen Lt. Governor. Randy Hartley won an oratorical contest, and Scott Lindsay won in the talent show.

KEYWANETTES PROVIDE SERVICE TO SCHOOL AND COMMUNITY

Under the direction of Mrs. MacArthur and Mrs. Seale, the Keywanettes played an important role in the 1978 school year.

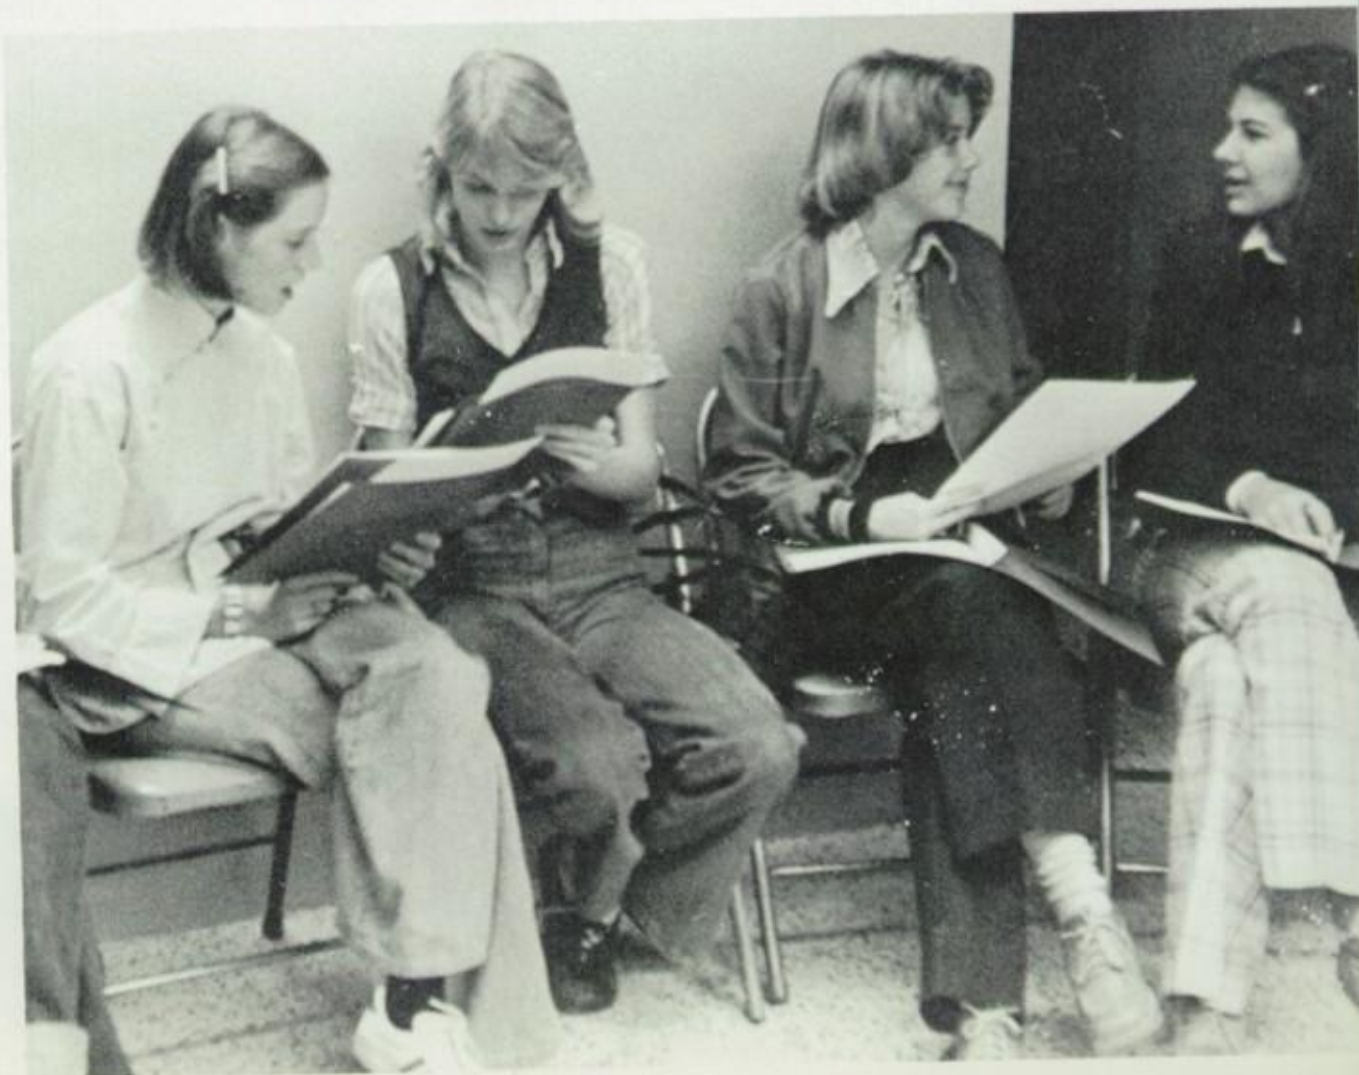

In two of their projects the Keywanettes worked with the Key Club. During the Christmas holidays they helped Key Club sell trees to earn money. Later in the year they again worked with them at the Kiwanis Pancake Breakfast.

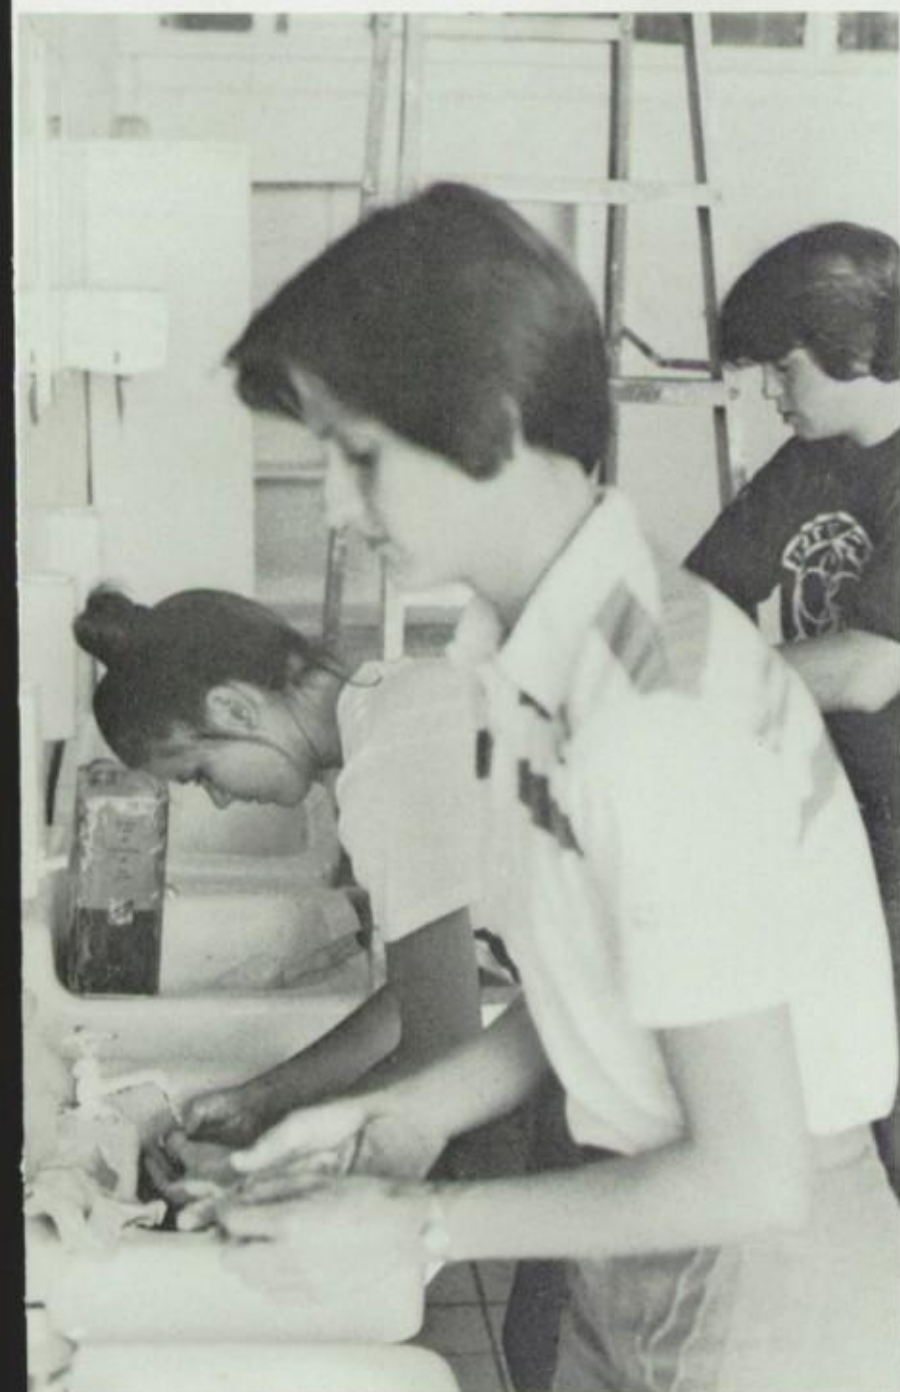

Being a civic minded club they helped collect money for the March of Dimes and the St. Jude's March. They helped raise money for these groups by participating in a skate-a-thon. The Keywanettes also helped in the school's clean-up day project by painting some of the school's bathrooms.

At the end of the year they treated their "little brothers" in Key Club to a picnic.

INTERACT RECEIVES BEST SCHOOL SERVICE AWARD AT CONVENTION

Sponsored by the Rotary Club, Interact is a service organization aimed at helping their school and community. Under the leadership of Miss Jean Chretien and Miss Phyllis Lawless, the members were kept busy all year with many projects.

By having a garage sale and car wash at the beginning of the year, the group was able to finance their various projects. During homecoming they showed their school spirit by building a float that won first place in the club division. At Christmas time the group visited the Slidell Guest House to sing carols and give Christmas cards to the residents. They helped in the school's clean-up project by cleaning up second courtyard and painting the marquee.

At the end of the year they hosted the district convention at Ocean Springs, Mississippi. They received the best school service award and Cliff Lowe was named the outstanding Interact member.

AGAIN FTA SHOWS PROMISE

In it's second year since being originated last year, Future Teachers of America has enjoyed one of the largest club membership at Slidell High.

This club formed for students interested in helping others and some wishing to become teachers themselves, give these devoted people the necessary preparation for their task. Among activities sponsored by this organization are Teacher of the Month. Some of the worthy teachers enjoying this honor are Mrs. Charlotte Rogers, Coach Jeff Panks, and Mrs. Betty Verzyvelt. These educators were commended with a certificate and a cake.

FTA day, a day named in honor to acknowledge the good work of the club was celebrated with contests and merriment. Many students dressed up as country bumpkins in celebration.

Numerous people are impressed with the progress of the new club.

SLIDELL'S FFA STATE BEST CHAPTER

Future Farmers of America, sponsored by Mr. Magee, learned about different jobs on a farm. They raised cattle, swine, and other livestock and went to livestock shows to compete against other FFA members. They learned how to butcher and wrap meat with their new meat center. The meat then sold at the annual Country Auction to raise money.

Individuals sell their livestock projects to local merchants for a profit. FFA helps make the students ready for life on the farm.

Students in FFA annually raise money for Toys for Tots and give gifts to the children around Christmas time.

FHA YEAR FILLED WITH FUN

The Future Homemakers of America are some of the busiest girls around SHS. They took part on many activities around the school. They hosted the annual Veterans Day Program where several members gave lectures on the early America.

Helping keep the school beautiful, the girls participated in the Clean Up Days. Also, they sold refreshments at the PTA's Anything Goes.

The FHA Mother-daughter Banquet proved to be great fun for all concerned. They also held an Installation Banquet for the new officers.

Officers attended a District meeting in the spring. They later attended the FHA State Convention in

AS ALWAYS THE LIBRARY ASSISTANTS HELP OTHERS

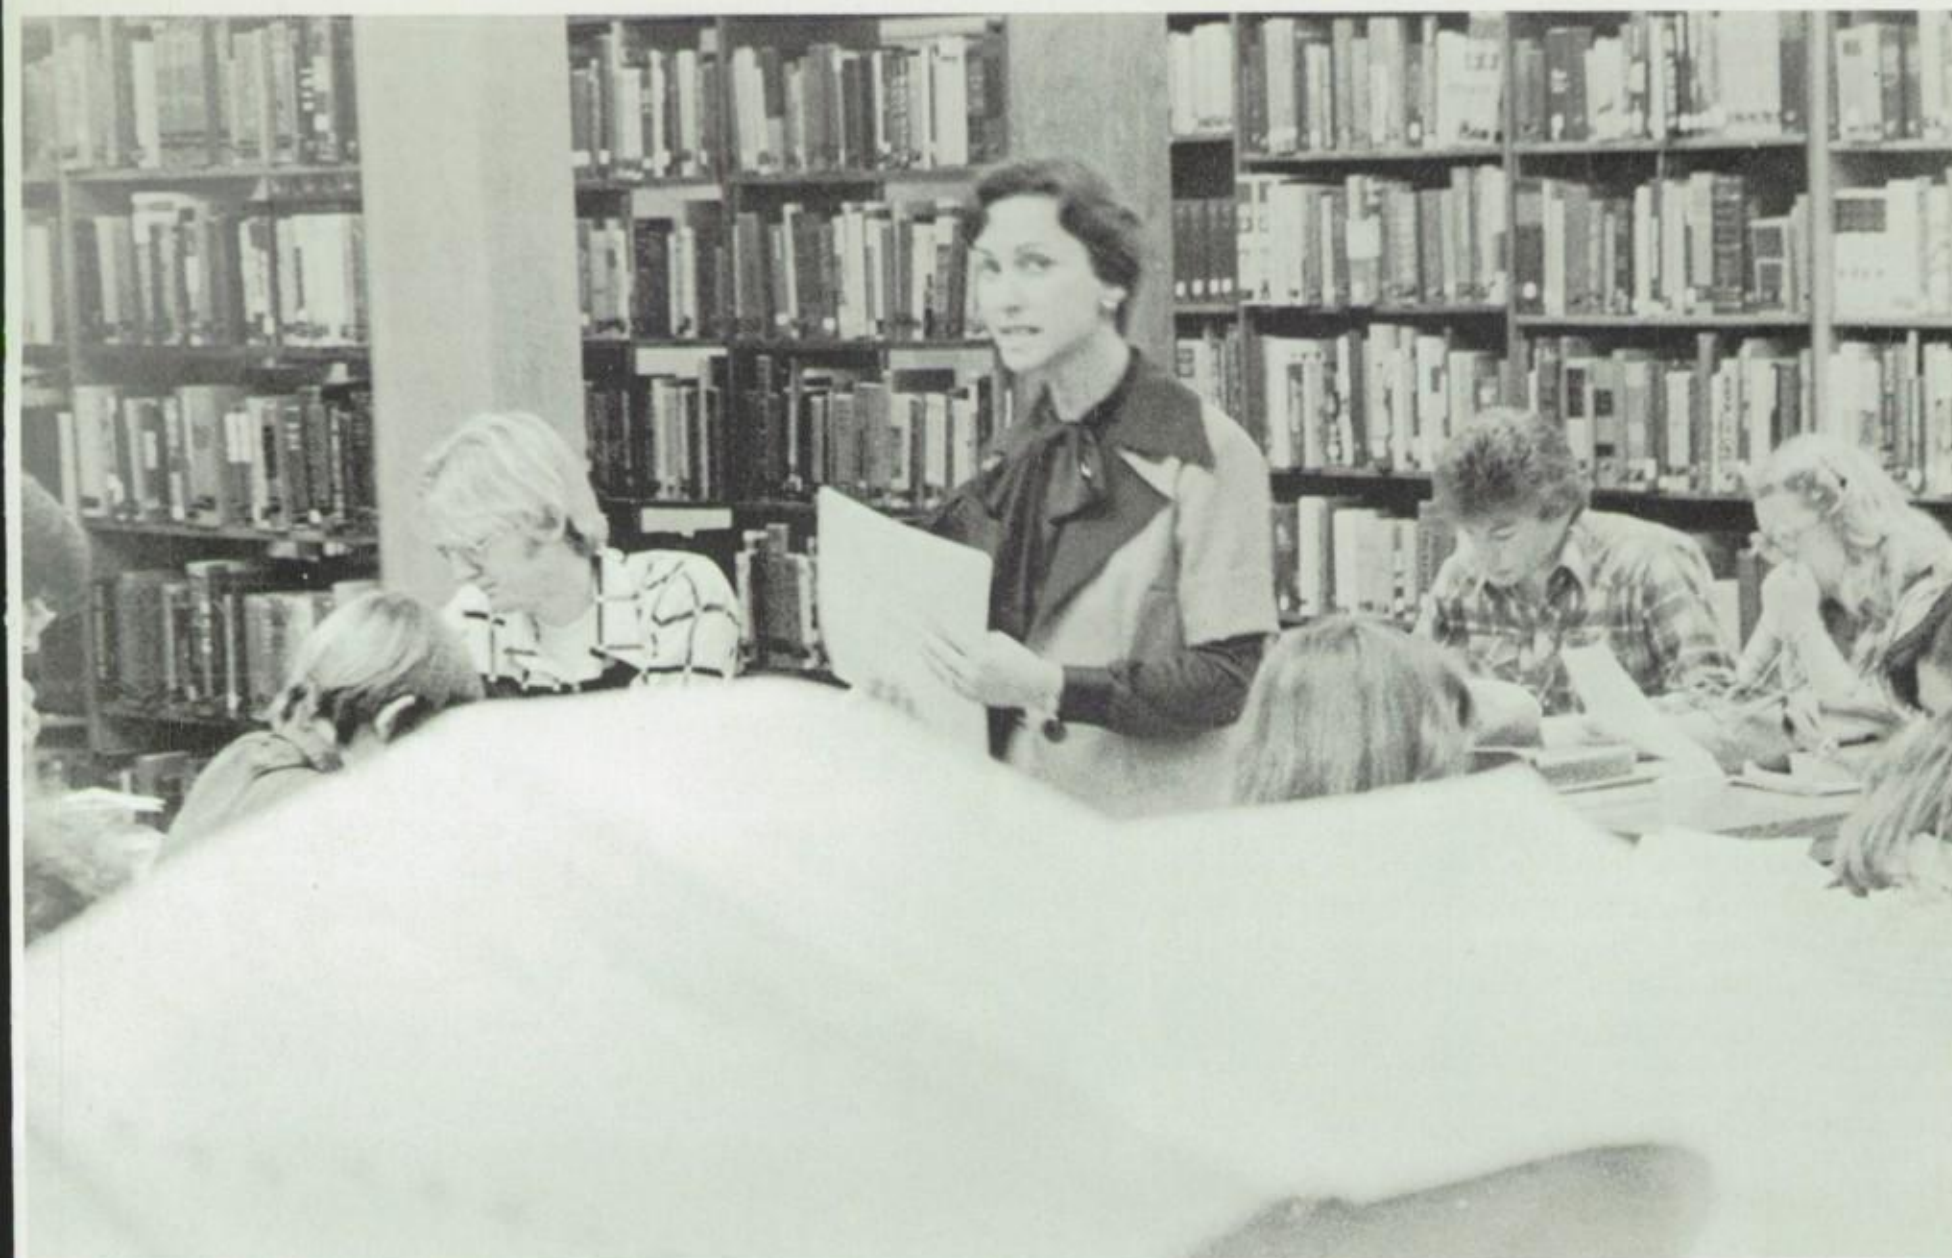

Helping the students with their many needs in the way of reference books, fiction and non-fiction books, the library assistants have again served Slidell High School students in a meaningful way.

Each day the different assistants dutifully took in not only the rows and rows of books as their chores but also kept the room neat. Many times a day an assistant returned a lost or misplaced book to its proper place. The list of things to do involved helping to file, arranging circulation, and repairing books.

The hour a day that the assistants gave provided useful assistance for the two librarians: Miss Jeanette Sollberger and Mrs. Jane Henderson. In appreciation for the help the assistants provided, the librarians honored their helpers with a banquet and memoirs during the Christmas season and at the end of the year.

ADMINISTRATION PROVIDES LEADERSHIP AND GUIDANCE TO A GROWING SCHOOL

Necessitating strong leadership in a difficult 1977-78 school year, Slidell High School found its leader in the person of Mr. Joseph Buccaran. In his second year as principal of SHS, Mr. Buccaran proved his ability for school administration. A few of the many problems requiring solutions by the administration staff were those of construction, sewerage, and flooding halls.

After many dedicated years to the public school system, Mrs. Frances Clow retired and gave up her post as assistant principal to Mrs. Lillian Williams, a former civics, psychology, and Free Enterprise teacher. Mrs. Williams became busy, as Mrs. Clow had been, checking lesson plans and exams.

Mr. Paul McGehee and Mr. John Whittington, assistant principals, guided the students on following the school rules.

OFFICE STAFF KEEPS SCHOOL RUNNING SMOOTHLY

With the flow of new students as well as routine office duties, the office staff of Slidell High was kept busy this year. Working in the office were Mrs. Yvonne Parks, Mrs. Jane Sarraile, and Mrs. Hermanie Garrett. A new face (and voice) that soon became familiar to the school was that of Mrs. Elaine Campo.

Schedule changes, scholarship applications, ACT tests, advising on problems, more schedule changes ... these are just a few of the duties our hard-working counselors perform. Keeping the students well-organized this year were Mrs. Miriam Fritche, senior counselor; Mr. Jack Seale, junior counselor; and Mrs. Linda Woodward, sophomore counselor. New to the staff this year was Mr. Milton Stokes, freshman counselor.

Mrs. Lillian Williams

Lives of devoted work are always characterized by service and dedication. These attributes certainly belong to the two southern ladies being honored here.

A 1927 honor graduate of Slidell High School, Mrs. Frances Wharton Clow celebrated the fiftieth anniversary of her graduation at the commencement exercises of the Class of 1977. After completing her college work in 1931, Mrs. Clow embarked on her professional career. Beginning at Greenwood High School in Mississippi and continuing on to Slidell and Hammond High Schools, Mrs. Clow served as a classroom teacher, librarian, and guidance counselor. Being at Slidell High 1944, she was named the first assistant principal in St. Tammany Parish and worked in this capacity at Slidell High until her retirement in December of 1977.

A member of the Slidell High graduating class of 1930, Miss Jeanette Sollberger began teaching at Slidell in 1936. From this time until her retirement in 1978, she taught the subjects of English, civics, history, Spanish, and her favorite, American History. In the fall of 1960, Miss Sollberger became librarian in the new Slidell High and continued her post for her remaining years at SHS.

Thirty-three out of forty-six and one-half years in the career of Mrs. Frances Clow and the entire career of forty-two years of Miss Jeanette Sollberger which were spent at Slidell High School certainly prove the service and dedication to education of these two great ladies.

Right: As one of her many contributions to Slidell High, Miss Sollberger acted as sponsor of National Honor Society.

Below: Since the 1936-37 school year, Miss Sollberger has had an uninterrupted teaching career at Slidell High.

Bottom right: As the recipient of the Golden Apple Award, Mrs. Clow received recognition on the state level.

SLIDELL HIGH PAYS HOMAGE TO TWO GREAT LADIES

Bottom: Always working closely with the students and their concerns, Mrs. Clow helps the seniors of 1977 plan their commencement program.

Left: Having spent many years dedicated to Slidell High, Mrs. Clow was honored as a 50 year graduate by the Class of 1977.

Below: Although often loaded down with paper work, Mrs. Clow is always ready with a smile and a welcoming word.

PARK'S ACE HARDWARE

1037 Robert Road
 Slidell, La.

643-1404

Emptiness echoed through halls once crowded with students. As the year ended, students saw the end of what had been the accustomed building known as Slidell High School. Those returning the following fall could look forward to a grown and changed school, while seniors not returning would hold their memories of the school they had known.

give you a good
 we have this year
 been in the year and
 of doing the year of just
 but it is all over
 the new year the year
 as we have the year
 you'll have the year
 you'll have the year

To a
crazy girl
I never forget
Good luck with
the guys who
in the future
hold of luck

To a wild and
everywhere in the
good fortune.
I am, dear
I am, dear

It is possible that I have lost
the best.
I am not sure if I have
lost it or not. It is
possible that I have
lost it.

95.

Lura,
To a sweet girl known for
the last year and has been really nice
and now years to come
hope you have fun in
the future
Duk-Wood

Lura
I had a
fun year, wish
I had a better
chance to get
to know you
Paul

Lura,
To a really fine
looking girl. It's been
an alright year so far
but I hope the future
will be better. "since
we get out of Mrs. Godwin's
class, it has to be better."
Good luck next year
friends
